

Christian Ambulance Association

Prayer Diary - January 2021

*Rejoice always, pray continually, give thanks in all circumstances;
for this is God's will for you in Christ Jesus.*

The Bible | Thessalonians 5:16-18

3rd–9th

As we enter the new year, let's remember our colleagues throughout the Emergency Services. This week, pray for those who work for the Ambulance Service remembering not only those we predominately refer to as being on the front line, but also those who work in vital roles such as HR, in Control and Logistics. Invariably unseen, forgotten or taken for granted, but nonetheless, as much our brother and sister as is that person who sat beside us yesterday, as they are today and will be tomorrow.

During this week, make time to reach out to those with whom you work, it may just may, make a difference for them at this time.

10th-16th

Pray for our brothers and sisters in Christ, those colleagues in red as they day by day put their their lives on the front line. Let's pray that those who struggle to share their faith at work, will draw strength from one another. Pray for those associated with Firefighters for Christ that they will continue to reach out across the world sharing that faith of what it means to know a loving and gracious God.

Pray for those who continue to work alongside the Ambulance Service and that opportunities for those conversations to develop.

17th-23rd

Policing this past year has presented many challenges. Let's pray for our colleagues in blue, as they go about their day to day challenges without out fear and favour. Pray for our colleagues in the Christian Police Association that those links with the CAA continue to develop providing that support and encouragement to each other.

We pray for those who do not necessarily come to mind who carry out vital roles such as those engaged with the Military Police; The British Transport Police, Civil Nuclear and Defence Police Officers and the non-uniformed civilian staff engaged in vital roles

24th-30th

This week, lets pray for those who support each of the Emergency Services in their day to day role be that the Coastguard; Search & Rescue Teams; Ancillary Support workers such as The Red Cross; Food Banks; The Salvation Army; Street Pastors; Street Doctors the list goes on...

Pray for the retained Firefighters, the Special Police Officers and Private Ambulance support services. Do pray for those around the country who will be supported with assistance from Army Personnel. Pray for them as they give up their time much of which will be unpaid, to serve those in need and as they seek to meet the challenges that lay ahead in 2021.
